## **Start your walking challenge!**

- Find a creative way to honor those touched by cancer. Here are a few ideas:

### **Easy Challenge**

#### *Step Competition –*

Who can accrue the most steps by the end of the day? Have your teammates grab a pedometer or their smartphones to track their steps.

### **Intermediate Challenge**

#### *Virtual Journey –*

How many miles would it take to walk to Cancer Services? Challenge your team to walk the same amount of miles. Are you too close to Cancer Services or too far? The team captain can determine a landmark.

### **Advanced Challenge**

#### *Scavenger Hunt –*

Time for a little I-Spy! The team captain can determine a certain area for the hunt and create the clues. Send out a map to teammates and let the hunt begin!

**Help us reach our goal of 80,000!**

Donations are still open.

# Dear Friends,

Thank you for your support of Cancer Services of Northeast Indiana's Ribbon Walk. The Ribbon Walk, formerly known as the Lapper, is Cancer Services' biggest fundraiser of the year. In these uncertain economic times, it is even more important to support and give to Cancer Services. Like many essential businesses in Indiana, Cancer Services has remained open to provide medical equipment and supplies, support, and even virtual classes to anyone who is in need. Supporting people with cancer never stops, and Cancer Services is our trusted place to do just that.

A huge thank you goes out to our event sponsors. We welcome old and new sponsors every year, and they are so important to this event. They allow us to pay for and plan the event, get the word out for Cancer Services and the work they do, and most importantly their partnership to support Cancer Services in the most important way — by giving.

Next, I would like to thank all the team captains and participants that support Cancer Services every year. This is such a fun event that brings family, friends, and neighbors together to support people with cancer. For all the new Ribbon Walk participants: Welcome, and I hope you join us for many years to come. Although we won't be gathering together this year in person, we are all still together in providing support for our friends, family, and neighbors going through this difficult time.

I would also like to thank the Cancer Services staff. Without you guys none of this is possible. Thank you for giving time and time again to those in need. What you do is truly a blessing to our community and our family members and friends diagnosed with cancer.

Lastly, I would like to thank the Ribbon Walk planning committee. Many members help year after year, and it is such a pleasure to be able to plan this great event with you. I appreciate your ideas and time to help support Cancer Services.

This year, for the Ribbon Walk virtual celebration on May 9th, please wear your t-shirt and get out there and walk to support people with cancer. Encourage your neighbors and friends to join your teams, donate \$35 or more, and walk. We all know someone who has or who had cancer at one point or another. Let's do it for every brave person who has fought the battle.

Thank you,

*Stacey Cripe*
