CANCER SERVICES OF NORTHEAST INDIANA ♦ DECEMBER 2022 ♦ VOL 79 ♦ ISSUE 4

## Making happier holidays for families dealing with cancer

The holidays are not always merry and bright for families facing cancer. Spending quality time with those you love is more important than ever, but the cancer always threatens to overshadow the joyous holiday lights.

Parents caring for a child with cancer must worry about how they are going to afford to get their child to treatment in Indianapolis. Piling presents under a festive tree has a lower priority. Moms with breast cancer may not have the energy to cook their traditional holiday meal. And some families may be facing an empty chair at their holiday gathering.

This year, nearly 5,000 families will receive the help they need because of your support. Families dealing with cancer can feel like they are financially drowning from the medical bills. When they receive the financial assistance they need, it's because of you. Unfortunately, there are many more families in our community who need your help.

The holidays are a busy time for everyone. Here are some easy ways you can make sure no one has to face cancer alone while also checking items off your long holiday task list:

### 1. Holiday house cleaning

Cancer Services' clients need durable medical equipment, such as walkers, shower chairs, or wheelchairs to safely manage daily living activities during treatment. Do you have any of these items taking up needed space in your closet or garage? Drop off your equipment at Cancer Services at 6316 Mutual Drive.

### 2. Holiday shopping

Add a few items for people with cancer to your shopping cart while doing your holiday shopping. Cancer Services needs postage stamps, batteries (AA and D), laundry soap, dryer sheets, baby wipes, and lip balms. Just remember to buy unscented and dye-free items since people being treated for cancer are often sensitive to chemicals in common hygiene and cleaning products.

## Holiday Closures

Cancer Services will be closed on the following dates:

**Christmas**  
**December 23 & 26, 2022**

**Martin Luther King Day**  
**January 16, 2023**

### Use your Kroger Card

### Here's how to get started:

2. Sign in or create an account.
3. When searching in the charity list, type Cancer Services of Northeast Indiana or use the code CW868.

### Purchase items through Amazon Smile

### All you need to do is use this link:

<http://smile.amazon.com/ch/35-0965609>, and make your purchases like you normally would.

## Living with cancer and still giving thanks

Your gift makes compassionate and personalized care possible. People in your community who are facing cancer are so grateful! Hear their gratitude in their own words:

***"Thank you so much! It helps knowing there is someone we can call for help during this stressful time!"***

***"It's so nice to have someone listen."***

***"After 6 cancers, you have become like family to me. I always know where to call for help or advice or to borrow equipment."***

***"I will be listing you as the recipient of gifts at my departure. Thank you all so very much."***

*Cancer Services is entirely  
supported by charitable  
contributions. Some support  
comes from local foundations,  
but it is the individual donors  
who make the most impact -  
sending regular checks, buying  
tickets to fundraising events, and  
walking to raise money with  
friends. These gifts come with  
"no strings attached," which  
means we are able to fund  
innovative new programming  
and balance resources so that  
people can get what they need  
when they need it.*

*Without donors like you and  
the other amazing people and  
organizations on this list, this  
organization would not exist.*

# Celebrating volunteers

Cancer Services volunteers are always hard at work sewing bed pads, offering rides to cancer treatment, designing memorial cards, and so much more. So far this year, this amazing group of individuals have given 4,049 hours of their time to ensure that local families touched by cancer get the help they need.

Cancer Services celebrated the impact these volunteers make at the annual Volunteer Breakfast.

Every day people in our community learn they have cancer, and more volunteers are needed to help alleviate the burden of cancer. If you would like to learn more about the ways you can help, please call Cancer Services Volunteer Coordinator, Haley Walters, at 260-484-9560.
