CANCER SERVICES OF NORTHEAST INDIANA ♦ JUNE 2023 ♦ VOL 80 ♦ ISSUE 2

## Ribbon Walkers raise \$106,482 to help people with cancer

On May 6, Cancer Services held the annual Ribbon Walk at our main office in Fort Wayne.

The weather was gorgeous – no rain, wind, or snow in sight! We were joined by MAJIC 95.1's Andy Beckman and their Weenie Wagon, State Bank's Give Truck, and Chick-Fil-A. Facilitator Celeste Motherwell provided Tai Chi demonstrations, and music therapist Emily Borkholder hosted group music therapy sessions throughout the event.

Attendees honored loved ones on our Ribbon Board, and kiddos blew bubbles, created chalk art, and made bracelets in the Kids Corner. When the time came, everyone walked the just-under-a-mile route to support people with cancer and remember those they've lost to cancer.

Our community raised \$106,482 to support local people with cancer. Thank you so much to all team captains, fundraisers, donors, and sponsors for working hard to keep physical, emotional, and financial supports available through Cancer Services.

This walker got a special ride!

### Thanks to our top fundraisers!

## September is Prostate Cancer Awareness Month

Prostate cancer is the second most common cancer in men (after skin cancer), according to the National Cancer Institute. Around 1 in 8 men will be diagnosed with prostate cancer, and it is most likely to develop in men older than 65 and Black men (American Cancer Society).

Prostate cancer is often slow growing, and many men who have prostate cancer do not die from it. However, it is important to keep an open dialogue with your doctor about prostate cancer risk factors and screenings.

*Cancer Services is entirely supported by charitable contributions. Some support comes from local foundations, but it is the individual donors who make the most impact - sending regular checks, buying tickets to fundraising events, and walking to raise money with friends. These gifts come with "no strings attached," which means we are able to fund innovative new programming and balance resources so that people can get what they need when they need it.*

*Thank you to our generous community for joining our mission to help people with cancer!*
